RE: Readoption of Public Health Surveillance & Preparedness Rules

This year the agency-wide readoptions occur within the Public Health Surveillance & Preparedness Commission. The Commission requests the Executive Board to readopt various rules in Title 410 of the Indiana Administrative Code that pertain to the programs making up the Public Health Surveillance & Preparedness Commission. A Notice of Intent to Readopt was filed with the Indiana Register and posted on April 8, 2009. Attached, please find a review of each rule to be readopted. The rules to be readopted, without changes, are as follows:

410 IAC 6-2.1	Public and Semi-Public Pools
410 IAC 7-22	Certification of Food Handlers

Following readoption by the Executive Board, a notice of readoption will be filed with the Indiana Register and the rule will not expire on January 1, 2010. The rule will continue in effect for another 7 years or until amended.

Thank you for your attention to this matter.
